Dear Mr. Kostelink:

On July 20, 2009, the Public Service Commission of South Carolina ("Commission") received a Utility Representative Form from you on American Broadband, Inc. including the d/b/a ABI Network Solutions. The Commission does not show that a request has been made for approval of amending the company's name. Amending the name of a company does have to be approved by the Public Service Commission of South Carolina. Please submit a request as soon as possible requesting approval to revise Docket Number 2004-343-C to amend the name American Broadband, Inc. by adding d/b/a ABI Network Solutions and copy your request to the Office of Regulatory Staff.

If you have any questions regarding this matter, please call me at the number below or contact the Office of Regulatory Staff at (803) 737-0800.

Sincerely,
